

HYGIENIC SUPPLIES

Heavy Duty Surface Wipes, 500 Wipes

PRODUCT CODE: ASW/500

DESCRIPTION:

A blue disposable wet wipe impregnated with a biocidal formulation, effective against most bacteria, fungi and viruses. Used in medical and food environments to prevent microbiological contamination. A soft but strong wipe which doesn't damage surfaces but leaves them clean and disinfected. Tub size and labelling may vary.

Alcohol Hand Sanitising Gel 500ml

PRODUCT CODE: WSZHSG500

DESCRIPTION:

70% alcohol content. Use after washing hands to suppress the spread of a broad spectrum of micro-organisms. No soap or water required. Helps prevent cross contamination with no need to rinse. Complies with European standards EN1276 and EN1500. Bottle style and labelling may vary.

Goggles

PRODUCT CODE: GOGGLE

DESCRIPTION:

Ventilated non-mist lens. Lightweight but strong PVC frame. Incorporates indirect ventilation. Conforms to EN 166 1 349B. Each.
